Curriculum Vitae for Joshua Anthony Masundah

Profile

A young transformational leader who is passionate about bringing in positive change in Zimbabwean communities, building pillars of the society and seeing our African continent thrive.

Interested in leadership because I believe that leadership is a force for positive change in the communities in which we live in. Have the ability to learn faster and acclimatize to the new systems of our world today.

Always looking for new opportunities to expand my knowledge base and to connect with the people from different walks of life around the world to share new ideas and solutions that can bring about change and put an end to some of the most pressing issues of Africa today.
